THANK YOU, MR. WALTER

This year Mr. T. Dayman Walter is retiring. Exactly half of his present years have been spent teaching English and history in our school. Moreover, for the past seventeen years, Mr. Walter has been the staff advisor of our Kencoll. It is only fitting that we should pay special tribute to one who has guided our paper through these difficult years. All who have ever worked on the Kencoll know that without his direction, encouragement and hard work our school year book would never have reached the printer.

Mr. Walter, born in 1900 in Grey County, is an honours graduate of Queen's University in English and history. For the past 32 years he has been unrolling the map of history for his students up in Room 213. So faithful has been his service there that we refer to the room not by number, but simply as Mr. Walter's room.

All at Kennedy were saddened by the sudden death of Mrs. Walter last summer, the week before the re-opening of school. The fortitude with which Mr. Walter sustained that darkest hour was probably his finest lesson.

Sir, on behalf of the hundreds of Kennedy students with whom you laboured so diligently and patiently we would like to express our most sincere thanks and our most earnest hope that you may enjoy many happy years of healthy retirement.

Thank you, Mr. Walter.

MR. BILL LEONHARDT

Mr. Leonhardt, a graduate of Kennedy Collegiate and the University of Windsor, joined the Kennedy Staff in 1957 as a member of the Science Department. An enthusiastic teacher, he has coached soccer, and willingly assisted in Cadets, Stardust and in the other school activities when help was needed.

We congratulate him on being appointed to the Head of the Science Department at Vincent Massey Collegiate. We wish him much success in his new endeavour, and hope he will visit his Alma Mater often.

MISS STEPHANIE ANDRY

Miss Andry came to our school from Toronto. She brought a new appreciation of drama to her English classes. After one short year Kennedy is losing her to England where she intends to do some teaching and further her studies. We wish her the best of luck on her journeys.

MR. R. W. DAVIDSON

Mr. Davidson is leaving Kennedy this year after seven years on the teaching staff. He is going to England where he will teach until his return to our school in September of 1965. We wish Mr. Davidson the best of luck during his "leave of absence".

The Principal's Message

Shakespeare said, "All the world's a stage and every man and woman must play his part". Each student is acting a part in the drama of life. To-day your role is that of a student. This role you have in common.

A great number of our students play a very important role in worthy service to their fellow students. The success of all phases of school life in this, the year of 1963-1964, indicates that you have played your part well, you have tried to aspire and to persist.

—Many are deserving of "Oscars".

—A special award to our Kencoll Editor and Associates.

IMPACT

***Sixty years ago Ford of Canada began building automobiles and trucks.**

Since then many hundreds of thousands of high school and university graduates have become Ford owners.

Their steadily-mounting preference for Ford products has contributed significantly to the impact on our national growth of this important Canadian industrial achievement.

During 1964, Ford of Canada is observing its 60th anniversary.

**In its first year of existence
Ford of Canada built 117 automobiles.
In 1964, Ford of Canada will build
in excess of 175,000 vehicles.*

A LOOK AT OURSELVES

There comes a time in every person's life when he must give a pause to his daily routine and turn to introspection—that is, the noble act of examining one's own thinking and deeds with a view to the questions: "What is my purpose in life? What meaning is there to my existence?" Now this moment of reckoning has arrived for the Kencoll, the yearbook which tumbles into our hands each year about the beginning of June, with such steady smoothness and punctuality that it is taken for granted.

Certainly, no one has any qualms about the Kencoll. We chuckle at the jokes (especially the ones that have managed to sneak past the censor); we stare admiringly at our pictures (conceited as we are), thumb quickly through the rest of the book, and then toss it in some corner, to be used as a mating ground for spiders. Of course, we become swelled with pride for our beautiful, illustrious school, which produces such marvelous yearbooks, but of what use is school pride *now* when summer vacations have started; by the fall the image of our beautiful, illustrious

school will have been demolished, and only a "hole" will remain. This is a very important point. One of the principal uses of the Kencoll has been to promote school spirit, but by the time of publication it is too late for this to be used.

Right away we can see a major weakness in our manner of publication. What, then, does the Kencoll do for our school? Generate school spirit? No. Inform us of what's happening? Hardly, for most of the events are long-since stale, and, as a survey at the beginning of the year indicated, few students care to read about them. Doesn't it entertain us then? We have television, cars, and romance to that end. It is as plain as day that, aside from serving as a remembrance for old alumni, the Kencoll is not fulfilling any real purpose. If we are to get the most out of our efforts and money, we must look to new fields.

To get down to brass tacks, it is my opinion, as editor of the Kencoll, that this yearbook should be replaced by a system of monthly newspapers (magazines). The key items of interest will be stories on topical school news events. Consider: the headlines for one issue will read: "Kennedy

Wins Football Championship". The resulting story will include interviews with coaches and players, and explain how certain strategy was applied. Inside, we will find a feature story about Joe Doe's visit to the New York World's Fair. Each issue, several classes will publish their class news and in a special final issue, the graduate news will be published. Mr. Thomson will have a column to inform students about what has been added to his "sickening" list. The "Teacher of the Month" will have a featured write-up, but, unfortunately, not the "Playmate of Month." Jokes and cartoons will dot the pages. Advertisers would be delighted to place their ads in such a paper, and to help costs, a slight nickel or dime price might be set.

Is this feasible? It certainly is; all that is required is a Forum leadership willing to take the initiative in instituting changes for the good of the school. A separate committee could be formed. And what a way to raise school spirit, and unify the student body!

Let us not fear to change that which can be changed! Progress stems from dreams, not from memories.

TO OUR ESTEEMED GRADUATES OF 1964

How can one small "hope" possibly add anything to the tremendous contributions that Cicero, Virgil, Horace and Catullus have already made to your lives? Armed with the travels you have made in thought from Barbaric Gauls dealt with by Caesar to the distinguished Romans addressed by Cicero, from the timeless love poems of Catullus to wholesome philosophy of Horace, and from Virgil's poignant description of the dreadful destruction of Troy to the founding of a new city for the Trojans by Aeneas you will find no field of endeavour too big to plough, no task too difficult to perform, no character too strange to fathom, no problem too baffling to solve, no administrator too complex to understand.

Besides the above, you have grappled with the complexities of Latin grammar. If all this doesn't make disciplined and respected citizens of you, all else must fail to do so.

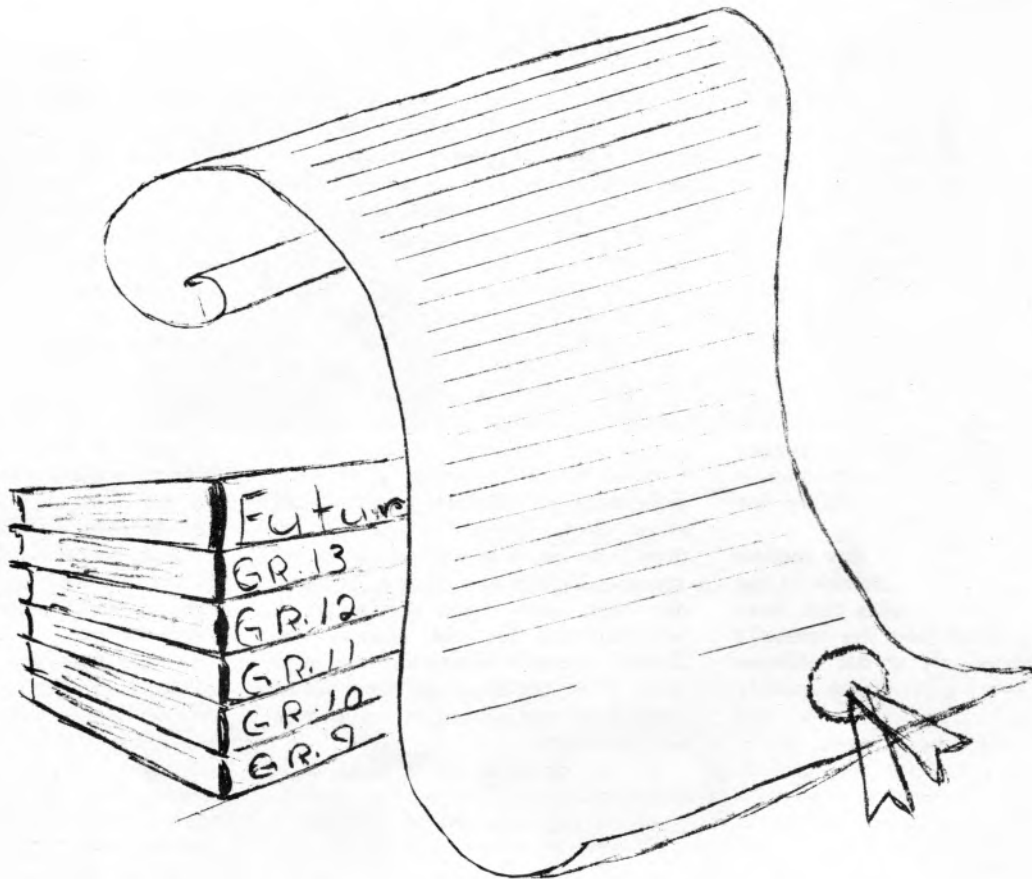

What a pleasure it has been to watch your minds develop from the uncertainty of last September to the certainty of to-day! You see that I have been restricted to speak from the viewpoint of my own subject, but I am sure that all your teachers have been delighted to see the same development in you in their respective subjects.

One bit of advice—choose one subject and pursue it "summīs viribus" (with all your might) and then you will never know boredom, which is the worst tragedy of all.

Fortified with a desire to learn and a good character you will make the most of every day, and consequently you will know security your whole life long.

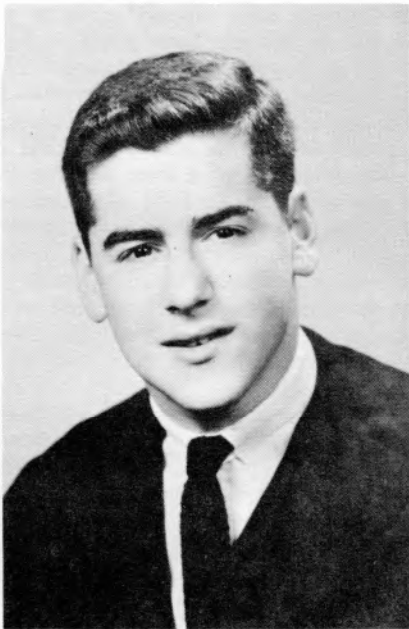

D. Hope

Focus...on your Future

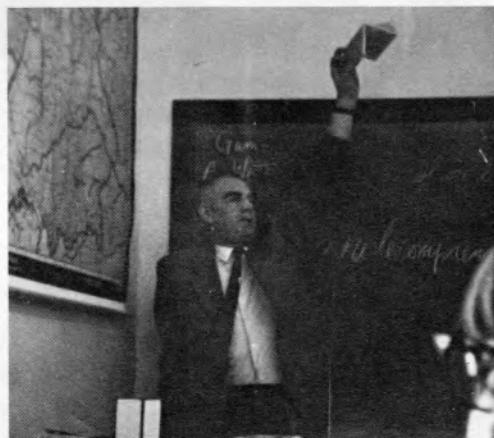

Before you decide on your vocation, it will pay you to read about what a career in banking has to offer you—its opportunities and benefits. Simply drop a line to the Staff Department, Bank of Montreal, P.O. Box 6002, Montreal, and ask for a copy of "Career Opportunities at Canada's First Bank." If you prefer, call in at your nearest branch for a copy. There is no obligation, except to yourself.

EXCHANGE

This year, it seems, the exchange has not been as active as in years previous, but the several yearbooks that were received were of exceptional quality, and truly worth our commendation.

These include:

Ambassador, Assumption High School, Windsor.

—A pretty good book; indicative of a lot of careful planning.

Clan Call, Leaside High School, Leaside, Ontario.

—Colourfully written, and colourfully printed.

The Scotch Collegian, Scotch College, Melbourne, Australia.

—From down under.

—Its style is quite different from our annual, much larger sections devoted to student efforts in English Composition.

The Twig, University of Toronto Schools, Toronto, Ontario.

—A candid photographer's delight.

—A multitude of shots with staff and student body in sometimes grotesque poses.

—A caption under each shot adds humour to the pictures.

CLASS NEWS OF 11A

By Ron Moro

Ron Moro is the president of our class
 And Nikki's by far our craziest lass
 And towers of strength are Bill and Howie
 Vikki thrives on Gordie's fame
 And with cameras the Jerrys are brains.
 While Linda and Bruce are equally quiet
 Dennis, Lynn, and Teri have a regular riot
 Though Marion's homework is never done
 Just like Don, she has lots of fun
 Mike and Wally have lots of laughs too
 But they're both plain crazy in Harold's point of view
 Sylvia, Joyce, Suzanne and Reid
 Think our whole class is real keen
 And then there's Rick who's simply "car-mad"
 But Marisa's car knowledge is quite sad
 Then we can't forget Isabel and Barb too
 Who like Carol and Betty are "two"
 Oh yes, next are Dianne and Jillian
 Who are beautiful and fair villains
 The three mouseketeers ride again
 Consisting of Helen, Rose and Lucienne
 And then comes our home-room teacher
 Who is more like a bad preacher
 We all know that his car is his best like
 And for short, we call him "Mike."

Jack Penney: "Can you see all right, Daisy?"

Daisy Dell: "Yes."

Jack: "Is there a draft?"

Daisy: "No."

Jack: "Does the man behind you have his feet on your chair?"

Daisy: "No."

Jack: "Mind trading places?"

Mr. Davidson: "My little Robbie is 5 now, and he's been walking since he was 6 months old."

Mr. Fletcher: "Sure must be tired!"

After a Physics exam:

Rick Wyszynski: "Hey Klaus, what did you get for number 8?"

Klaus Meier: "A headache."

Miss Hope: "McMartin, whose work is this? It's too well done to be your own."

Jim: "Lipischak gave it to me."

Miss Hope: "Well, at least you're being quite Frank about it."

Sid Jasey: "What kind of workers are best for hotels?"

Walt: "The inn-experienced."

Joe Vijuk: "You sure think you're good-looking, don't you?"

Judy McCullough: "No, but what's my opinion against that of thousands of boys."

Janie Allison: "Where did Noah keep his bees?"

Bob Potts: "In the archives."

Lorraine Pope: "How do you stop fish from smelling?"

Tom Grayson: "Cut off their noses."

On Visit-the-School Night:

Mr. Leonhardt: "Did you scold Dennis for mimicking me in class?"

Mrs. Zerbin: "Yes, I told him to stop acting like a fool."

Teri: "I'm not going out with John any more — he doesn't know where to stop."

Gloria: "Oh, I don't know about that — he found us a dandy place."

Allan Kamin: "What animals fall from clouds?"

Miss Hope: "The rain, dear."

"Do you think I should put a little more fire into my essays," asked Scott Cuthbert.

"No," said Mr. Loughheed, "Vice-versa."

"You've read my last story, haven't you," Scott pressed on.

"I hope so," groaned Mr. Loughheed.

Dave Andrewes: "Do you neck?"

Sandi Center: "That's my business."

Dave: "Oh, a professional!"

Mr. Gretes was taking his first ride in an airplane: "OK" if I smoke" he asked the stewardess.

"Only if you don't annoy the lady passengers," came the reply.

"Guess I won't smoke," said Mike, as he put away his cigars, "I'd rather annoy the lady passengers."

Hyland, Leonhardt, Gretes & Co. have a new answer for those asking what they mean by the phrase: "for all practical purposes."

"Suppose all the young men in a class were to line up on one side of the room, and all the young ladies on the other. At a given signal, the two lines move toward each other, halving the distance between them. At a second signal, they move forward again, halving the remaining distance; and so on, at each succeeding signal.

"Theoretically, the boys would never reach the girls—but, actually, after a relatively small number of moves, they would be close enough—
—for all practical purposes."

Miss Williams, a sweet young lass, Waded into the water up to her ankles.

It doesn't rhyme now,
But wait until the tide rolls in.

Little Billy Smith was out for the K.C.I. football squad last September, but on the fifth day of practice he was seen handing in his gear.

"Giving up so soon?" he was asked, "A little too big for you, huh?"

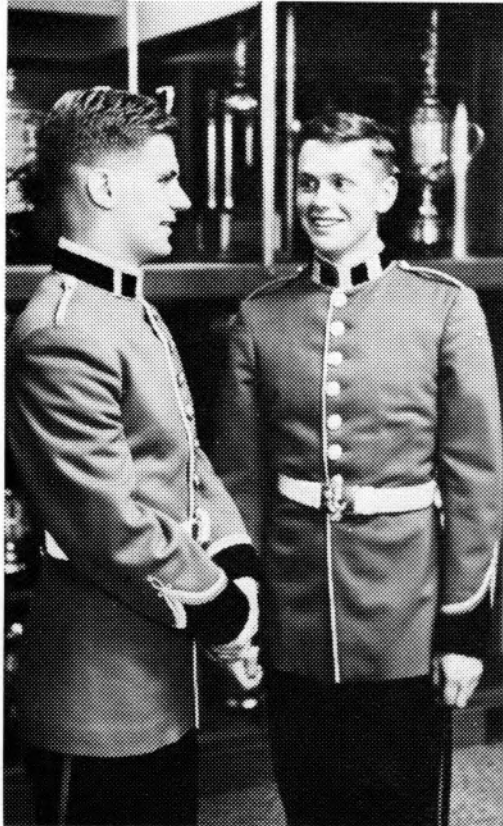

"No, it wasn't that," Bill replied.

"I was doing real well—not even a bruise—until yesterday, when I was tackled by Walt Jasey and Joe Vijuk at the same time."

"And a little thing like that made you quit?"

"Well, no, but when I tried to get up, Jasey grabbed my right leg, Joe grabbed my left, and I looked up and heard 'Got a wish, Walt?'"

On Their Merit

Young men attending the Canadian Services Colleges and Canadian universities under the tri-service Regular Officer Training Plan (ROTP) train for challenging and rewarding careers as officers in Canada's Armed Forces. High school graduates of Senior Matriculation or Junior Matriculation standing qualify for entrance on a competitive basis. These young men are selected and will advance on one basis alone—ON THEIR MERIT.

For information regarding tuition, board, lodging, uniforms, books, instruments, medical and dental care, and salary, consult the Navy, Army or Air Force Recruiting Office in your area, or write to the Director ROTP, Department of National Defence, Ottawa 4, Ontario.

CADET INSPECTION

This year the cadet corps was formed up in the Windsor Stadium and commanded by Cdt. Lt. Col. J. Beausoleil.

It had rained all day long, off and on, and the storm clouds were still lingering overhead.

The Reviewing Officer was Lt. Col. J. Baxter and the Inspecting Officer was Lt. Read from Central Command.

After the march past and demonstrations, the presentations were made. The Lt. Col. Wm. Griesinger Trophy

for best company went to C. company and was accepted by Maj. J. Thomson; the R.A.P. Rideout Trophy went to Cdt. Drum Major Dennis Mahoney as the cadet who had done the most to aid the cadet corps throughout the year, and the W. D. Downey Cup was won by the band again this year with Cdt. Drum Major Dennis Mahoney in charge.

Special thanks and congratulations should be extended to Mr. Wearne who has done such a great job in organizing the band and obtaining

their new instruments this year.

The Rev. E. C. LeBel Trophy was presented this year for the first time by Major Deneau to Cdt. Lt. Col. J. Beausoleil. It is presented by the C. O. T. C. to the officer who has done the most in forwarding the cadet movement in the school.

The annual banquet was held the following Friday in the library and Mr. Walter, who is retiring at the end of this year, was presented a gift by the cadet corps for his many services over the years.

INITIATION

On the first Friday after returning to school, the senior students officially welcomed the freshmen of 1963-64. The 9's were obliged to carry out the supreme wishes of the honoured 13's. Some freshmen were thought to be guilty of certain crimes and were brought before the renowned Kangaroo Court. The offenders found themselves in the hands of the brilliant Defence Attorney Kamin.

By the end of the evening the newest members of our "family" had been initiated with the good old Kennedy welcome.

PROMS

The annual Sleighbell Prom proved to be much more successful than in previous years. For this year's prom Swiss Serenade was chosen as the theme with Bill Richardson's Orchestra serenading.

Everyone enjoyed a Mexican Fiesta at the spring roundabout, the K-Hop. A slowly circling burro suspended from high in the ceiling added the unique and final touch. Thanks go out to Susan Riggs and the Social Committee, who successfully staged these two dances.

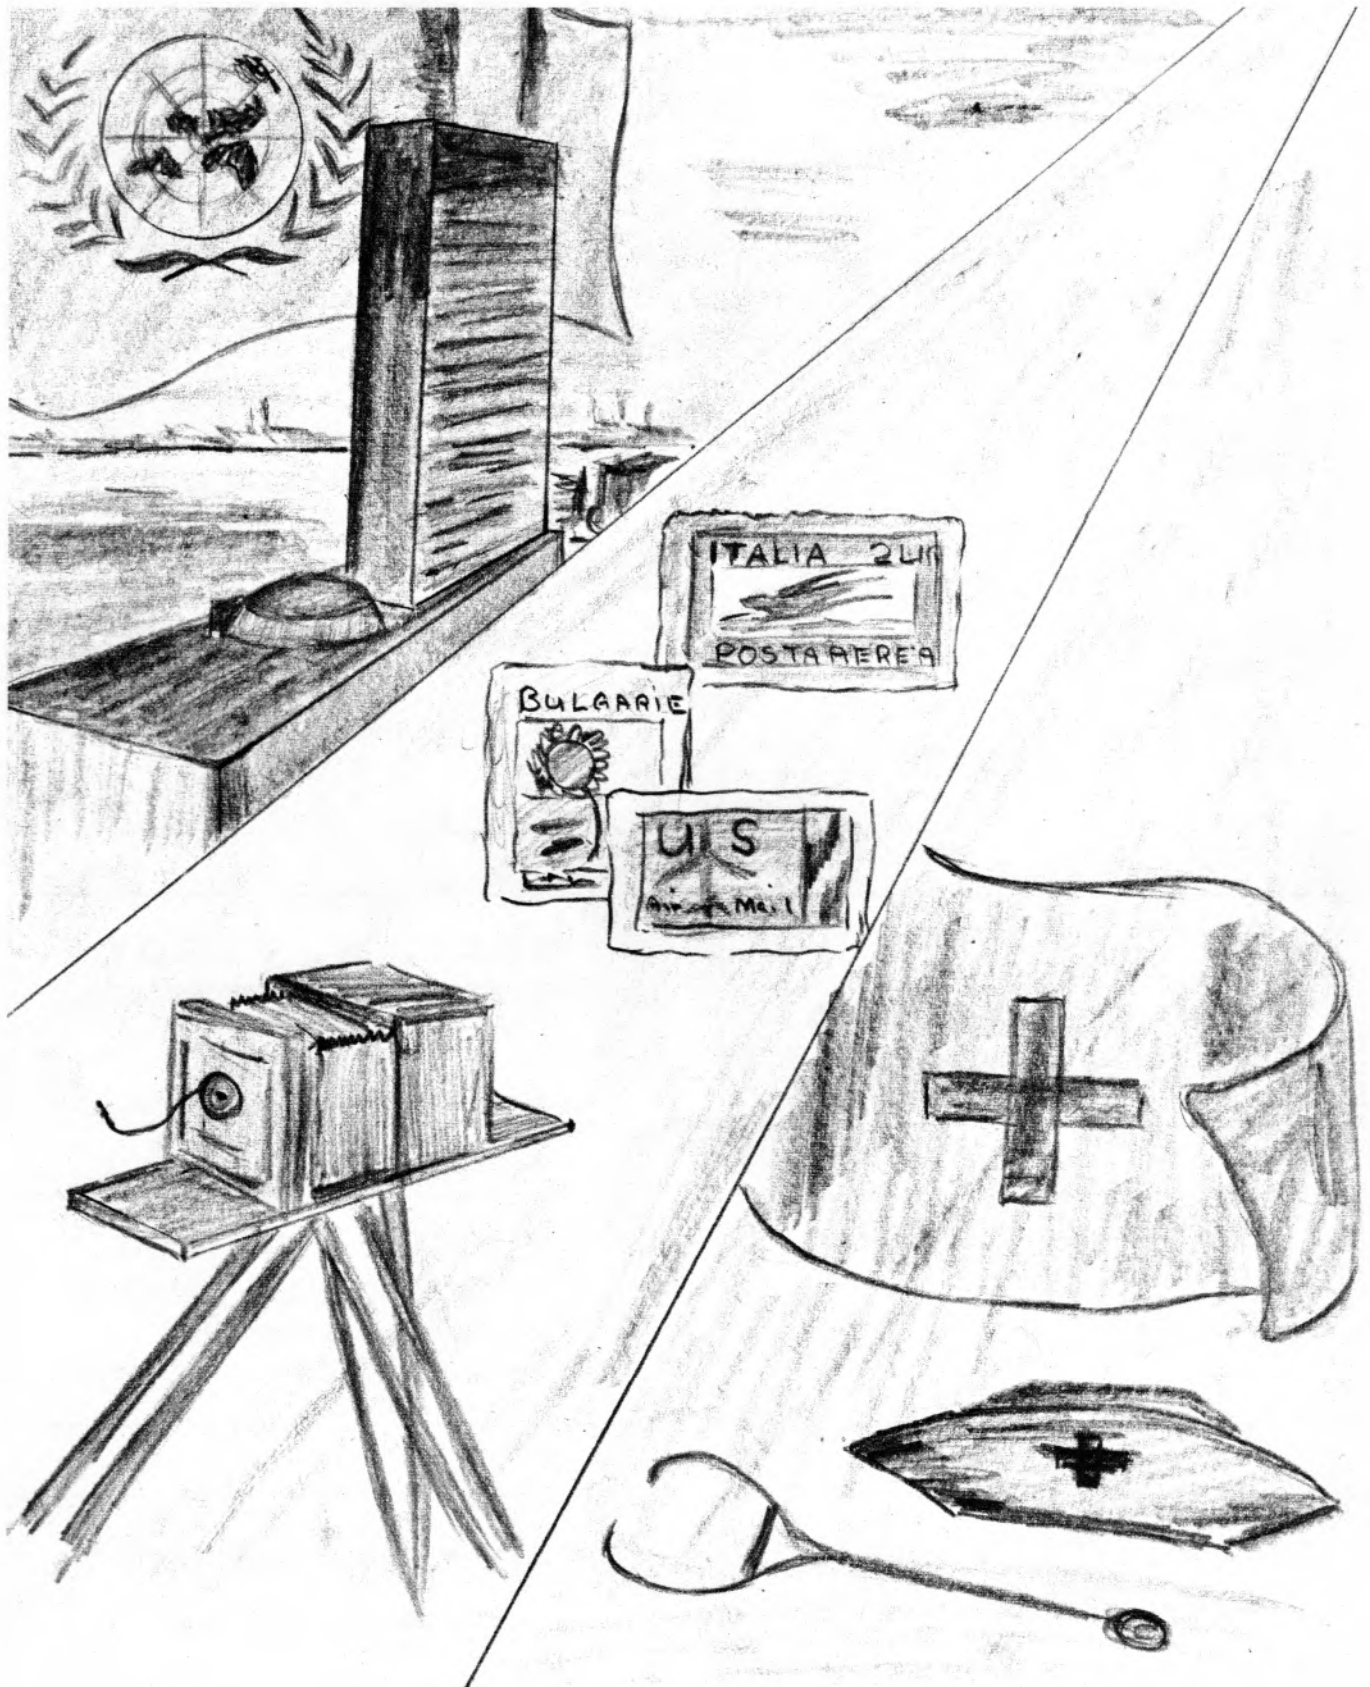

GRADUATION

By Judy McCullough

Commencement for our senior students was held November 16th. Greetings came from the Windsor Board of Education through Dr. R. J. Whitty. Seventy-eight happy students received their Honour Graduation Diplomas and one hundred and twenty-eight students were presented with their Secondary Graduation Diplomas.

A former Kennedy student, Mr. Herb Gray, now a member of Parliament for Essex West, delivered the address to the graduating class. Miss Gail Emerson was valedictorian. This memorable occasion came to an end with the presentation of Scholarships and Bursaries by Mr. J. M. Donahue.

A DAY IN THE LIFE OF 12B

12B's day is never dull or drab
 For now we enjoy the teachers as they crab.
 We begin our day in 213 with a lively class of History
 And everyone agrees Mr. Walter's writing is a Mystery.
 Down the hall we run with glee to greet our dear Miss
 Hope
 Who assures us she knows more Latin than the Pope.
 Next we drag ourselves to French where no one is too
 keen
 And every day we hear "First . . . a One . . . a
 Christine . . . a".
 With a wee bit of Scotch is how we end our path
 No, not in the bottle but with a "wild Scot" who teaches
 Math.
 Now to English where everyday chaos is created by the
 boys

When enter Miss Pullen saying "there's no need for all
 that noise".

We end our day in Chemistry where no one talks a mite
 For every week we hear Mr. Leonhardt say "2 chapters,
 Mike".

WE BOYS OF 11D

Karg and Carruthers from Gretes get heck,
 Webb and Hills make passes at Andry;
 Calder would love to wring Fox's neck,
 While Flood's cracking jokes with Stanley.
 Roome, Broom and Fournier do happily
 snore,
 When Collis and Conner are causing a rucus;
 Then there's the author who gets one line
 more,
 It's the Gardner-lover, smiling Marcus!

Da da.

There is no Santa Claus.

Can I have the car tonight?

When you gurgled out the first statement,
your Father puffed up like a peacock.

When you took a stand on the second,
your Mother knew her baby wasn't a baby anymore.

Now that you're old enough to ask the question,
act your age. Drive safely.

Any other way is for kids.

Depends on what you do with it! It could become a prize rooster, get top billing in a fricassee—or end up as a splatter on the floor. The possibilities are unlimited—the egg is just a start. Like university. You discover as you go along the endless possibilities an advanced education can bring. But you have to make a start—and not everyone can afford that. That's why the General Motors companies in Canada award 25 scholarships each year ranging in value up to \$2,000 to help deserving students. More than 200 scholarships have been awarded since this programme began in 1955. Grants, too, are given to the universities themselves. Students can choose from any of 14 participating universities, pick the faculty they like, prepare in their own way to take their place in Canada's future. Life isn't always served sunny side up—but the GM scholarship plan can help.

Applications for General Motors Scholarship should be directed to the Registrars of the following participating universities: The University of Toronto; The University of Western Ontario, London; Queen's University, Kingston; The University of Montreal; The University of Manitoba, Winnipeg; The University of British Columbia, Vancouver; The University of Saskatchewan, Saskatoon; The University of Alberta, Edmonton; The University of New Brunswick, Fredericton; Laval University, Quebec City; McGill University, Montreal; Memorial University, St. John's, Newfoundland; Dalhousie University, Halifax; and McMaster University, Hamilton.

FOOTBALL

The '63 version of Kennedy's football squad took all honours. These included trophies for W.S.S.A. and S.W.O.S.S.A. championships and for possession of first place at the end of the regular season. Walkerville and Assumption gave the Clippers the best games, but fell to our team in the semi-finals and final 13-6 and 13-0 respectively. They defeated the Chatham team for the S.W.O.S.S.A. laurels. Joe Vijuk, Dennis Chadwick, Dennis Zawadski and Bill Hendershot made the first All-City team.

BASKETBALL

Playing more games this year, the senior boys' team ended regular season play with a 10-3 won-loss record and advanced into the semi-finals. The Clippers put up a good battle but were toppled by a better Herman team 68-43, at St. Denis Hall.

The juniors ended their regular season with a 38-35 victory over arch-rival Walkerville and an 8-0 won-loss

record. They edged Corpus Christi and Walkerville in the playoffs to emerge with the W.S.S.A. trophy, ending Walkerville's five year domination. However, they lost out on their bid for the S.W.O.S.S.A. trophy—to Walkerville.

The girls had a good season and were defeated only once during regular play. They out-hustled Patterson and Herman to come up with the W.S.S.A. championship for the first time since 1936, but lost to Commerce for the S.W.O.S.S.A. trophy.

SWIMMING

The senior girls and boys preserved Kennedy's fine reputation as swimmers by sweeping the senior W.S.S.A. trophies in the Windsor meet at Herman. At this same meet the junior girls and boys took 3rd and 2nd placings respectively. At the O.F.S.A.A. meet at London our senior boys failed to bring back the Hart Devenney Trophy for the Ontario Inter-Collegiate Swimming Championship, but captured an impressive 3rd.

VOLLEYBALL

The Boys' Volleyball team came up with an undefeated season for regular play and captured the W.S.S.A. trophy. In their attempt for the S.W.O.S.S.A. championship, however, they were defeated in the finals by Wallaceburg District High.

Our senior girls' team nipped Commerce in the semi-finals but lost out to Herman in the final. In Wallaceburg, they, like the boys, were defeated in their attempt for the S.W.O.S.S.A. triumph.

The junior girls brought their W.S.S.A. trophy to Kennedy. In S.W.O.S.S.A. competition, they, too, lost out in the final game.

TENNIS

In Tennis this year, Kennedy came up with a winning boys' doubles championship. Ted Stanley and John Loaring brought this laurel home.
